Mr. Knapp,

Please let us know your availability for a brief call tomorrow, Wednesday, March 13, regarding your Complaint in the above-referenced matter. Wings plans on bringing a motion to dismiss your Complaint under Fed. R. Civ. P. 12(b)(6) for failing to state a claim for which relief may be granted. Local Rule 7.1 requires that the moving party meet and confer with the opposing party in advance of filing a motion, which is the purpose of the call.

Please let us know if you are available tomorrow to briefly discuss this case, and what time you are available.

Best,

**Paul W. Magyar** Attorney
